Alyan Ali

AI Automation Developer

+923178384793 alyankhi124@gmail.com alyan-ali-560910268 Karachi, Pakistan

PROFESSIONAL SUMMARY

AI Automation Developer specializing in building end-to-end business process automation systems. Successfully delivered **Business automations**, **lead generation workflows**, and **AI agents** for clients, focusing on measurable **ROI** by optimizing automations rather than just implementing them.

WORK EXPERIENCE

AI Automation Developer | Full-time

Mar 2025 - Present

Barq Digital

On-site • Karachi

- Built CRM automation workflows to manage and nurture leads, **reducing manual lead handling by up to 50%**.
- Developed AI voice agents to handle customer interactions and initial qualification, **bringing response time down to 5 minutes**.
- Implemented RAG-based systems for contextual responses, maintaining **up to 95% accuracy**.
- Built SaaS applications integrating third-party services with OAuth handling.

Technologies / Skills Used : *n8n, Go Highlevel, Zapier, Make.com, Claude code, Nextjs, Python, Retell, Databases*

PROJECTS

Lead Generation System

Aug 2025 - Present

Developer

- **Built multi-touch outreach system** using email, SMS, and AI voice agents.
